Expert Level

The award will be presented to the expert researchers who have done exceptional work in the field of Cancer Science. The award is considered the most distinguished award in the whole conference and it is termed as Scientific Service Achievement Award. The researchers should have a minimum of 20 years of research experience in the respective field. The award is presented for scientific achievement and leadership to foster and recognize research excellence, leadership and outstanding technical achievement in Cancer Science. You can nominate anyone you feel deserving to the award.

Professional Level

The award will be presented to professional researchers in the field of Cancer with most relevant accomplishments. The award is termed as The Research Contribution Award. The researchers should have a minimum of 10 years of experience in academic or professional research. The researcher, who is consistent, has broad view towards research and has a meaningful direction towards the advancements of research. Part-time research experience would be counted as a pro rata. Doctorate degree is not a must have for this award nominees. They should be hard working, diligent, focused and devoted to the specific field of interest. You can nominate anyone you feel deserving to the award.

Scholar Level

The award will be presented to upcoming researchers and scientists in the field of Cancer Science with a minimum of 10 years of experience. This award is presented to strengthen and enhance the highest level of disciplinary and interdisciplinary research related to the area of Cancer Science. Our conference provides best platform to explore and share their knowledge in the field of cancer and oncology at the stage. Presentation includes 25-30 minutes oral talk on the scientific sessions related to the theme of the conference with 5 minutes panel discussions. The award is termed as The Upcoming Researcher Award. The researchers with a new and

transforming lookup towards research are encouraged. The researchers should bring new technologies and innovations to their work according to the new trends in their field. You can nominate anyone you feel deserving to the award.

Women Scientist

This award highlights major contributions done by female scientists related to the field of Cancer Science. The award will be presented to Women Scientists and researchers in the field of Oncology with a minimum of 10 years of experience in relevant field. The award is termed as The Women of Science Award. We are happy to encourage our women scientist's participants through research awards and provide assistance for women scholars in career development and research guidance through our collaborations. We are delighted to encourage Women scientists and researchers by providing a platform where they can present their work and passion towards their research. You can nominate any women you feel deserving to the award.

Outstanding Speaker

This award aims at recognizing for individual who will present their projects, strategies, and schemes that have been implemented to improve long-term excellence in Cancer Summit 2020 conference.

We aim to foster theoretical endeavors and innovative problem solving methods in the field of Cancer Science. In this category of award, we wish to acknowledge the speakers with great presentation skills, influential research work and long term excellence in the field of Cancer Science. The award is termed as Outstanding Speaker. You can nominate deserving to the award.

Best Keynote Speaker

This Award recognizes excellence in research as

displayed in different ways that may impact Human wellbeing. The award will be presented to the best keynote speaker with a distinguished research work, projects and strategies that will give a new trend in the field of Cancer Research. The right keynote speaker adds an extraordinary feel to the conference. This award perceives advancement in instructing methodologies and strategies just as in conveying keynote presentation in conference and centers on the uniqueness and creativity that expands member's interests. You can nominate deserving to the award.

Best Poster Presentation

Poster presentation competition will be organized to encourage the students to present their research work. The conference provides an opportunity and best platform for young scientists and researchers to share their views related to the conference sessions and theme in picture format. The poster presentation with a background provides appropriate perspective/context for the subject. The research design should be appropriate and transparent. The award is designed to promote interest and acceptance of the poster in Cancer research, to increase the quality of poster presentations, and to acknowledge excellence in this valuable medium. Student Poster Competition is organized at Conference, to encourage students and recent graduates to present their original research. You can nominate deserving to the award.

Outstanding Thesis

This award is to recognize the Masters/Ph.D./Post-doctorate thesis work presentation who will exhibit their projects thesis which clearly explains main aim of the research in Cancer Research. This award makes the researcher visible to the research community thereby uplifting the standards of brilliance and attainment. This award is recognition for Masters/PhD/Post Doctorate thesis presentation who will present their projects and thesis that have been implemented to improve long-term excellence in the field of Cancer. You can nominate deserving of the award.
